# PUSH BROOM HOLDER - ITD7332

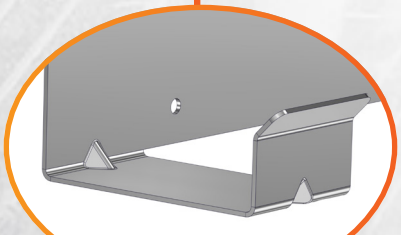

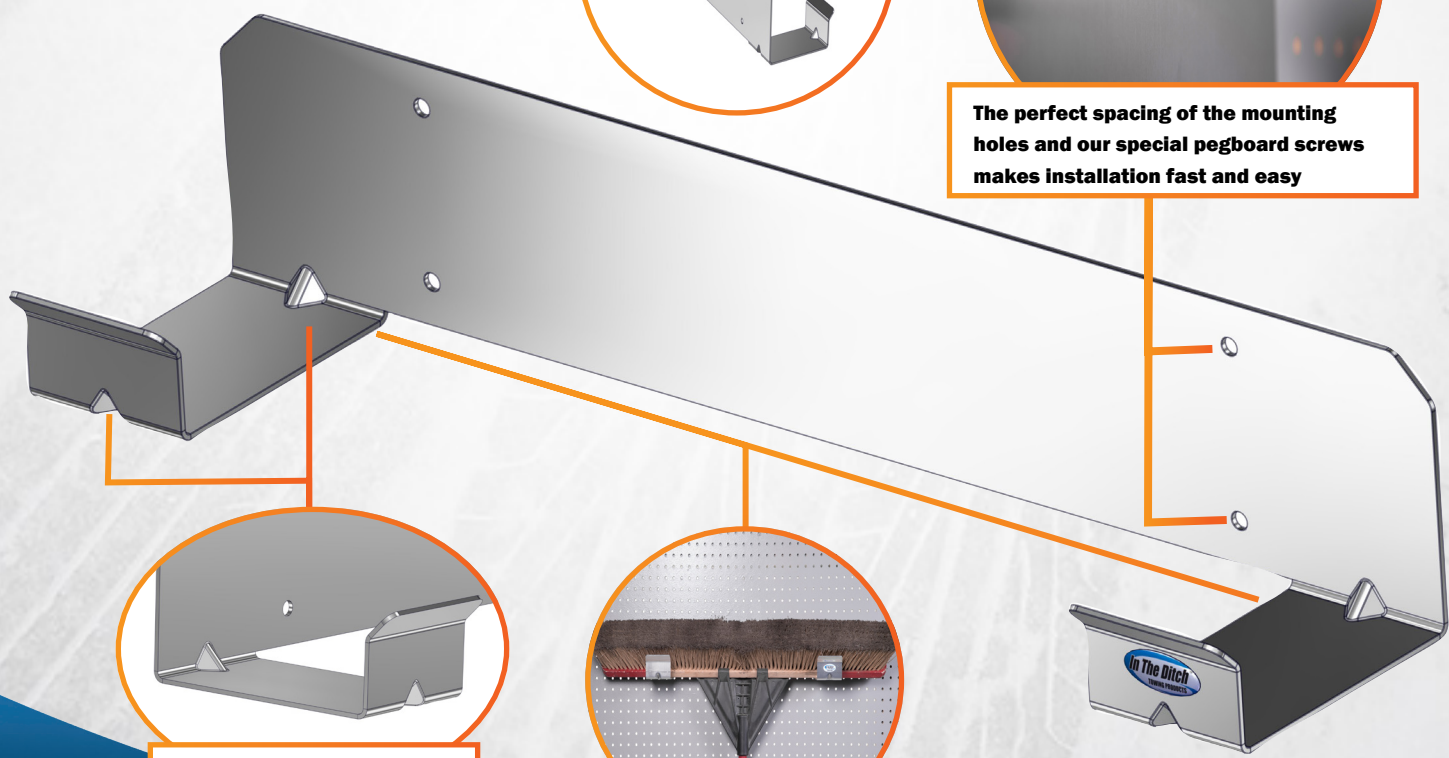

At In The Ditch we focus on lean manufacturing. Much of that mindset revolves around having a place for everything and having everything in its place. We designed this Push Broom Holder so you can easily hang push brooms on the wall or directly to peg board. Made from aircraft grade aluminum this Push Broom Holder not only looks great it will hold up for decades.

**MSRP \$24.99**

Designed to mount to any flat surface

The perfect spacing of the mounting holes and our special pegboard screws makes installation fast and easy

Reinforced beaded bend gives the Push Broom Holder a 50 Lb Load Rating

Holds any Push Broom From 24" To 48" Wide

Hardware to mount on drywall, wood, and pegboard included
