

DEMAND QUALITY. DEMAND IN THE DITCH®

Pull From Any Angle

With the SP-Series™ Sidepuller® swiveling Center Boom Head, you can pull effectively from any angle!

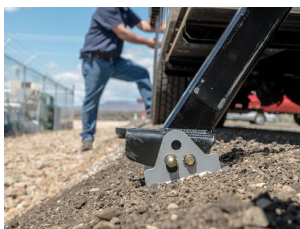

Side Recovery

With our Side Recovery Boom Heads, The SP-Series™ Sidepuller® can effectively pull casualties up embankments or other hard to reach places within it's recovery zone.

Recovery Zone

The clearly marked "Recovery Zone" takes the guess work out of operating the Side Recovery Boom head. Determine the optimal angle quickly and easily. With a clearly marked "Danger Zone", there is no question when you're out of the "Recovery Zone."

Self Leveling

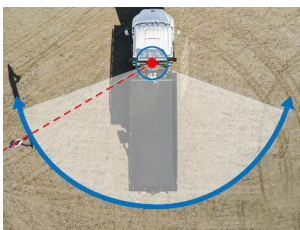

All SP-Series™ Sidepullers™ come with our galvanized self-leveling feet! When deployed they level with the ground creating optimal stabilization.

PURCHASE FROM YOUR LOCAL DEALER TODAY
