X-Series™ Dolly Axle Mounts **GEN II**

MOUNT UPGRADE

If you have any of these first generation axle mounts:

ITD1026, ITD1027, ITD1242

(No Axle Guard)

Please contact In The Ditch™ to purchase an upgrade to the Gen II Axle Guard. This is a very simple upgrade that easily bolts to current mounts!

NOTICE: IT IS THE DRIVER'S RESPONSIBILITY TO ENSURE ALL CARGO IS SECURED TO TRUCK, AND PROPERLY INSPECTED PRIOR TO DEPARTURE.
